Letter from the Committee

Dear Participants, Presenters, and Supporters,

Welcome to the 2024 Baltimore Immigrant Summit!

We are thrilled to have you join us for this year's summit, themed "Empowered Immigrant Communities: Engaging, Sharing, and Growing Together". We want to express our deepest gratitude to all who participated. Your presence, contributions, and active engagement make this event a tremendous success.

This year's summit is not just a conference; it is a movement. It is a coalition of individuals and organizations dedicated to uplifting immigrant communities and building a more inclusive Baltimore.

We will discuss the vital role of immigrant communities in the foundation of Baltimore and how, now more than ever, it is essential for immigrant communities to come together, build networks of support, find advocates, and work collaboratively towards collective growth.

The overwhelming interest and enthusiasm shown by participants, presenters, and attendees alike were truly inspiring. Your eagerness to engage, share insights, and support one another embodies the spirit of community and collaboration that we aim to foster through this summit.

However, our work does not end here. We must turn our discussions into actions. We must stand together to protect, support, and empower immigrant communities that enrich our region. We call on all participants to join us in this mission. Whether you are an individual, an organization, or a business, there are many ways you can get involved.

Looking ahead, we are excited about the future of the Baltimore Immigrant Summit and the opportunity to further our mission of empowering immigrant communities. We invite anyone who is interested in becoming more involved to join our movement. If you are passionate about protecting, supporting, and empowering immigrant communities, please reach out to us at bis@baltimorecity.gov.

Together, we are building a stronger, more inclusive Baltimore for all.

Warm regards,

2024 Baltimore Immigration Summit Committee
